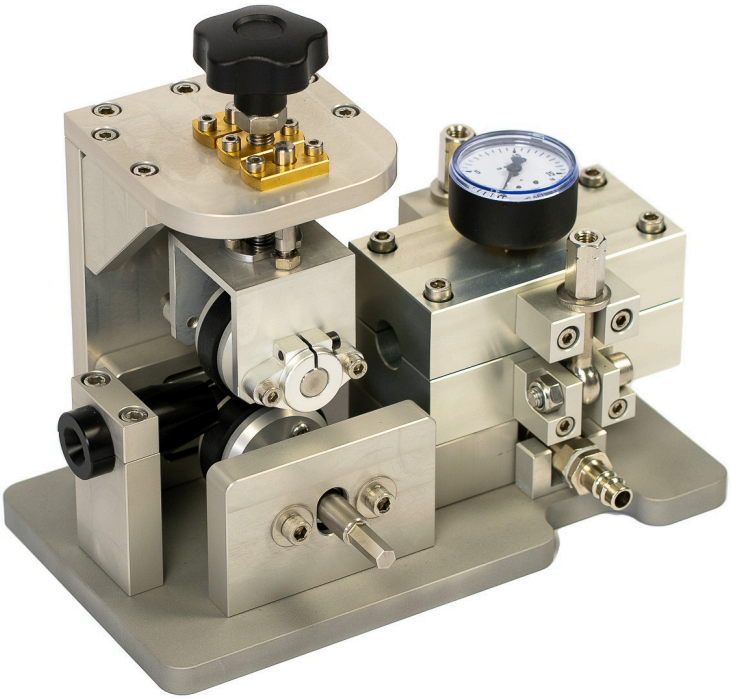
Blue Dragon Jet®

Data Sheets

MINI



Reach:	1000 m
Duct:	5, 7, 10, 12, 14, 16 mm
Cable:	0,7- 10 mm

BDJ MINI

BDJ MINI micro-blowing machine was designed for the construction of the last miles of FTTH and distribution networks. Thanks to the guide sleeves, it allows for blowing fibers starting from a diameter of 0.7 mm.

PRODUCT DETAILS

- **Roller Drive:** Equipped with removable rubber bands that can be easily replaced when worn.
- **Efficiency:** Precisely guided inserts and an improved seal system allow for safe installation over long distances.
- **Warranty:** Standard 3 years with the possibility of extension to 5 years (requires annual service at an authorized partner).
